

INTERAGENCY AGREEMENT

Between

**The Health Resources and Services Administration's
Maternal and Child Health Bureau
and**

The U.S. Consumer Product Safety Commission

This Agreement sets forth the terms of the professional services to be provided by Suzanne Barone, Ph.D., an employee of the Consumer Product Safety Commission (CPSC), to the Health Resources and Services Administration's (HRSA) Maternal and Child Health Bureau (MCHB). The purpose of this Agreement is to provide for collaborative activities between the two agencies to improve the quality of poison prevention and control services throughout the United States.

Dr. Barone will be part of MCHB's Poison Control Center (PCC) Program, which will develop and implement Public Law 106-174, The Poison Control Center Enhancement and Awareness Act. This initiative will assist in stabilizing funding for poison control centers, increasing access to poison control center services, reducing unnecessary visits to emergency departments and improving poison prevention services. This Agreement provides for the placement of Dr. Barone in the Division of Child, Adolescent and Family Health, MCHB.

I. DESCRIPTION OF SERVICES AND ACTIVITIES

Dr. Barone's duties will be shared between the two agencies with 18 hours a week at HRSA's MCHB and the remainder of time at CPSC.

Dr. Barone's duties for MCHB shall include the following activities:

- Serving as principal staff on the development of the uniform national poison control patient management guidelines by monitoring the contract let in fiscal year (FY) 2001 and preparing a multiyear contract in FY 2002;
- Assisting with the provision of technical assistance to the poison control grant program; and
- Participating in planning and implementing a stakeholders' meeting(s).

The duty station will be the Parklawn Building 18A-38, 5600 Fishers Lane, Rockville, Maryland.
